### **EMPHASIS ON SPOKEN ENGLISH :**

English has become a universal language today that links people around the globe and is a vital factor in determining an individual's future trajectory. The language can be inculcated into habit with constant spoken practice. Parents are requested to co-operate in the matter as much as possible and motivate their wards to converse in English, both in school and at home to build upon fluency & vocabulary. We encourage students to practise and improve their spoken English skills to enhance their communication abilities.

### **PRIVATE TUITION/ COACHING :**

While we strive to provide comprehensive education within the school, we advise against unnecessary private tuition or coaching.

In school, our teachers diligently pay individual attention to supplement every child's learning curve and provide quality education. We urge parents to talk to the student about school teaching and other activities. The process will not only make you aware of the school's activities and updates but also help you discover your child's hidden talents and interests and strengthen your bond with them. Avoid sending your child for private tuitions which weighs them down with rote learning and kills their inquisitiveness, ultimately defeating the purpose of education. School teaching is enough for learning.

### **CYBER SAFETY :**

We are committed to promoting cyber safety among our students. Please monitor your child's online activities and educate them about the importance of safe internet usage.

## **COMMUNICATION FROM TEACHERS :**

Your ward is a part of a **Class WhatsApp Group** that includes their subject teachers along with their class teacher. The group is used to convey information and communication from the teachers' end regarding examinations taken throughout the year, PTMs, competitions and internal assessments for every subject. The group also features a **Monthly Newsletter** from **The Desk of the Principal**, discussing the monthly activities of the school. Parents are requested to check the Class WhatsApp Group regularly to stay updated with all the necessary information.

## **HOMEWORK POLICY :**

In accordance with the mandate issued by the Central Board of Secondary Education (CBSE) there is **No Homework Policy** for Std. I & II. This policy aims to promote a more balanced and holistic approach to education, focusing on quality teaching and learning experiences within the school hours. Encourage your child to complete homework assignments and dedicate sufficient time to self-study to excel academically.

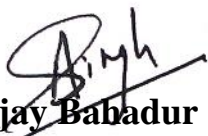

We are thankful to the parent fraternity for their trust in the school. We express our whole-hearted gratitude for your generous support and continuous co-operation.

We appreciate your cooperation and support in making the upcoming academic session a success for your child. In case, you have any questions or concerns, please do not hesitate to contact us.

We hope to continue walking on the path laid down by Paramhans Sant Hirdaram Sahibji and Shradhhey Siddh Bhauji by developing worthy citizens and noble humans, who will spread the same virtues in the world.

We are looking forward to a successful and safe academic term with your support !

With warm regards,

**Ajay Bahadur Singh**
